Upper School teacher in Social Sciences and History

The John Cooper School is seeking a teacher in Upper School Social Studies, specifically in World and European History and World Geography.

Essential Duties and Responsibilities:

- Teach courses in social studies, history, geography, political science, or humanities, utilizing core curriculum and other appropriate learning activities.
- Instruct students about global history, as well as international and national issues.
- Help students understand the geographical, historical, cultural, and political factors that influence the development of world regions.
- Explain and provide context for political and economic systems.
- Collaborate with other members in the Social Studies department.
- Implement shared curriculum while creating instructional resources for use in the classroom.
- Plan, prepare and deliver instructional activities.
- Create a positive educational climate for students to learn.
- Meet course, department, and school-wide student performance goals and objectives.

Upper School teachers are responsible to the Head of Upper School and Social Sciences Department Chair, and work closely with the Academic Dean, Dean of Students, Administrative Staff, and other teachers and parents.

Job Requirements:

- Requirements include a bachelor’s degree or higher
- Minimum of three years previous teaching experience, independent school experience preferred

Interested candidates should mail, fax or email a resume, cover letter, statement of philosophy of education and references to:
